Clients are seen by appointment only, and at least 24 hours notice is expected for cancellation; otherwise this time will be counted as a regular session (emergencies accepted). A message left on the Downtown Counseling voice-mail is acceptable.

Payment is expected at the time of service, before the beginning of the session, unless other arrangements with your counselor have been made. Third-party payments are accepted, with arrangements made on an individual basis. Regardless, clients remain responsible for payment upon receipt of service.

Based on a 50 minute session, counseling fees are as follows:

- Individual Session: \$135
- Insurance Co-Pay: TBD
- Couples or Family Session: \$150.00
- Group Counseling: \$50 Person/Hour
- Specialty Assessments or Evaluations: \$150.00
- Process and Review of Medical Records: \$10.00
- Supporting Documentation: \$5 (Max 10 Pages)
- Additional Pages: \$0.05 Per Page
- Court Appearances & Depositions: \$300.00/Hour

If your needs are deemed beyond our scope of training, experience, or capacity, this will be communicated to you directly and an appropriate referral will be made to another mental health professional. Please be aware that you may need to be referred to an individual or organization with expertise in your area of need that is not associated with our realm of qualifications. If a referral is made outside of the office of Lane David, LPC, the financial responsibility for payment to the referral source is yours. Although we endeavor to provide you with high quality referrals, we assume no responsibility for the services that may ultimately be provided by these resources.

I have read and fully understand the information above.
